

Krzysztof B. Fidler

Krzysztof B. Fidler (“Kris”) is the Manager of Trade Compliance & Monitoring at Toyota Motor North America (TMNA). Kris has trade compliance responsibilities for finished vehicles, production and service parts, global supply chain security and testing and monitoring programs. Kris is also responsible for strategic planning and enforcement decisions related to Free Trade Agreements (including USMCA), Section 232 trade investigations and proclamations, Section 301 China tariffs, Country of Origin determination, and all other trade related matters.

Kris holds a BS in Political Science and a BA in Economics from the University of Michigan. He is a happy husband and father of four.
