Master Builders Pierce County Announces REX People’s Choice Award

Voting now open

TACOMA, Wash. (May 7, 2019) – For the first time in the history of the association, the Master Builders Association Pierce County (MBA Pierce) is opening the Remodeling Excellence (REX) Awards for public viewing and voting. The REX Awards program recognizes outstanding home remodeling projects throughout Pierce County.

The award open for public voting is this year’s *People’s Choice Award*. People can browse all entries and cast their vote for their favorite project at www.rex-peoples-choice.com. Only one vote per user is counted.

“The *People’s Choice Award* is a great opportunity for people to see what our members are capable of in terms of talent, quality of work, expertise and professionalism,” said Executive Officer Jeremiah Lafranca.

This year there are a total of 33 entries showing before and after project transformations. Companies who submitted projects remain anonymous until winners are announced.

“These projects meet a set list of high criteria and also showcase design trends,” said Lafranca. “We are thrilled to involve the public opinion this year and hope that they are inspired by each of these projects.”

Master Builder members submit their remodeling projects to compete in various categories that include exterior, kitchen, bath, entire home remodels and more. *People’s Choice Award* is the only award chosen by vote. Category winners are selected by a judging panel of industry professionals.

All Remodeling Excellence Award winners are announced at a gala event on May 21, 2019. For questions please contact MBA Pierce at 253-272-2112 or email info@mbapierce.com.

###

Established in 1945, the Master Builders Association of Pierce County (MBA Pierce) is a trade association representing housing and the residential construction industry. MBA Pierce is the leading voice for the residential building industry, representing more than 650 builders, remodelers and industry professionals employing over 10,000 people in Pierce County.
