

## **NCBIO Member Event of Interest**

### **AdvanSE Life Sciences Conference**

#### [Calling Entrepreneurial Companies: SE PitchRounds](#)

**May 26-28**

**Isle of Palms, SC**

The inaugural [AdvanSE Life Sciences Conference](#) is May 26 - 28, 2020, in Isle of Palms, SC and a highlight of the event is [SE PitchRounds](#), the small company program. The Southeast Life Sciences is looking for the best companies in the southeast in biopharma, medical devices, digital health, and diagnostics to present during the conference.

The deadline to apply is **April 10**. They accept applications from companies at any stage - from an idea on a napkin to profitable companies looking for expansion capital. Companies selected for PitchRounds will receive benefits including:

- Two significantly discounted (more than 25%) off early-bird registration
- In-depth workshops on topics such as Go-To-Market, Valuation, and Persuasive Pitch coaching
- Mentoring with a team of investors, entrepreneurs, regulatory and reimbursement professionals, etc.
- And more!

[More information](#) on the PitchRounds. [Apply today!](#)
