

## Apply to Present

### BIO CEO & Investor Conference

**February 11-12, 2019**  
**New York, NY**

Tell your story to an audience of over 700 public and private equity investors, as well as industry analysts, investment bankers, and senior biotechnology executives at one of the year's most important partnering events. Companies that present schedule 40% more partnering meetings than general attendees. With over 2,700 partnering meetings between 1,400 attendees expected this year, the BIO CEO and Investor Conference is your opportunity to make the right connections in 2019. [View 2018 presenting companies.](#)

Presenting companies are hand-selected for the event, and consist of a selection of recent IPOs to established large-cap public companies from around the globe, plus sophisticated private companies, who typically have a clinical stage program centered around therapeutics, molecular diagnostics, or a new health care technology, as well as an upcoming clinical, regulatory, or corporate catalyst.
