

# Register for the 17th Annual BIO Investor Forum San Francisco

**October 17-18  
San Francisco**

BIO has unveiled programming for its upcoming [BIO Investor Forum](#) to be held October 17-18 at the Westin St. Francis Hotel in San Francisco. As an NCBIO member, you can save \$200. Contact [Laura Gunter](#) to get your discount code for the savings.

The list of panel discussions announced will fall into business/public policy or therapeutic topics. Detailed descriptions can be found on [BIO's website](#).

## **Business Sessions:**

- Learning from Translational Research Successes to Attract Investment
- Reaching Chinese Investors: Considerations for an IPO in Hong Kong
- Policy Outlook—Implications of the Trump Administration's Healthcare Initiatives
- View from the Board: Responding to an Acquisition Offer
- "Digiceuticals" as a New Class of FDA-Approved Therapeutics: Investment & Partnering Opportunities
- Applying Artificial Intelligence to Improve Therapy Development Today
- Market Outlook – IPOs Ascendant and Watching M&A Valuations

## **Therapeutic Panels:**

- Navigating Checkpoint Inhibitors' Clinical Results: Lessons for CEOs and Investors

- Using Microbiome-Based Therapies to Improve Patient Outcomes
- Expanding the Toolbox of Neurodegeneration Therapies
- How Real-World Evidence Can Improve Clinical Trial Productivity

Over 170 companies will deliver 15-minute presentations on their technology and product pipelines and approximately 2,700 meetings will be scheduled through BIO's One-on-One Partnering™ putting emerging companies in the best position to strike a deal or make connections for future discussions.

Preceding the opening of the BIO Investor Forum will be the SPARK Showcase sponsored by the SPARK Program in Translational Research at Stanford Medicine which aims to advance new biomedical research discoveries into new treatments for patients. The program and reception will run from 1PM to 6:30PM (PT). More information can be found [here](#).
