

NCBIO Wants you to know

## Submit Proposals by March 6

**September 21-24**  
**Raleigh Convention Center**

The BIO IMPACT Ag & Environment Conference will be held in Raleigh on September 21-24. This conference (formerly known as BIO World Congress) is centered on overcoming today's global challenges – and set forth towards a more sustainable future – by embracing the key role biotechnology plays in protecting our planet's resources, driving a strong economy and improving people's lives.

Join 1,000 leaders from all over the world for three days of education, networking and BIO One-on-One Partnering™. Learn more about the conference at [bio.org/impact](http://bio.org/impact).

**Submit your Breakout Session Proposal Now:  
Deadline March 6.**

- food and farm innovation
