The 16th annual BIO Investor Forum will host more than 175 healthcare [venture capital and public market investors](#) and more than 600 business development executives from [leading global pharmaceutical and biotechnology companies](#).

This year's event includes:

- [BIO SPARK Showcase Event](#) - held on Monday, October 16th - featuring academic researchers in the SPARK network showcasing drug development programs that are ready for partnering or venture funding.
- Fireside chats featuring candid conversations with the industry's top executives.
- [Expert led panel discussions](#) on topics ranging from liquid biopsies, bispecific antibodies and translational research to alternative funding models and general market outlook.
- [150 company presentations](#) from up-and-coming innovators and start-ups. [See who presented](#) in 2016.
- Networking events—including the Tuesday night Welcome Reception and other industry gatherings.
- BIO One-on-One Partnering™ - More than 2,100 meetings took place during last year's conference, a 27% increase in the past two years.
