

# BIO-NCBIO Member COST SAVINGS PROGRAM

**LARGEST COST SAVINGS PROGRAM  
FOR THE SCIENCE INDUSTRY**

**JOIN IN SAVING TODAY!**

**LEARN MORE**

The last few weeks have been extremely challenging and nerve racking, both personally and professionally for many in our industry. It's no secret that revenue generation is a concern and thus capital preservation is critical.

As a member of NCBIO, you have access to the BIO Business Solutions, the largest cost savings program geared toward life science companies. You may be utilizing some of the partners in this program and realizing significant savings, but there are 15 partners in the program and we urge you to take a closer look as we are confident you may find additional opportunities to reduce/control your costs in most aspects of your operation moving forward.

Please [click here](#) to review for more details on the providers, what they offer and how this can help you. Bob Dearth, Business Development Manager at BIO and a partner of NCBIO on this cost savings program, is available to help insure a smooth timely launch with the providers. Feel free to reach him at [bdearth@bio.org](mailto:bdearth@bio.org) or 781-716-7555.

Please let us know how we can help. If someone else in your organization makes these decisions, please share this information with them.
