

## NC Reception June 5th

### Boston's New England Aquarium

## June 4-7, Boston, MA

### [Register](#) Today

Check out panels at BIO 2018 that will have leaders from North Carolina participating. Events include:

New technologies and treatments offer opportunities to identify and help those with rare disease but there are challenges in ensuring those with rare disease can be identified. **Rich West, CEO of Baebies, Inc.**, will be a panelist in the session on Newborn Screening - Towards Ending the Diagnostic Odyssey, June 6 in Room 209, Level 2.

Precision health promises an opportunity to improve population health while providing economic benefit to all. But it is only through collaboration that these possibilities will be realized.

Check out the session on Partnerships Power Precision Health: Collaborative Models for Advancing Precision Medicine 1:45 p.m. to 2:45 p.m. Tuesday June 5, 2018 Room 259B, Level 2

Panel:

- Dr. Suzanne Belinson, Executive Director at

- Blue Cross and Blue Shield Association
- Dr. Stephanie Devaney, Deputy Director at National Institutes of Health
- **Dr. Terry Magnuson, Sarah Graham Kenan Professor of Genetics, Vice Chancellor for Research at UNC School of Medicine**
- Dr. Alicia Zhou, Head of Research at Color Genomics

Also attend the North Carolina reception at the 2018 BIO International Convention at Boston's New England Aquarium on June 5. [Click here](#) to sign up for the reception.

The reception is presented in partnership with NCBIO, the Economic Development Partnership of North Carolina, and the North Carolina Department of Commerce.
