**February 27-28, 2018
Raleigh Convention Center**

CED is partnering with the Wallace H. Coulter Foundation and Duke University to bring the [2018 Coulter Investment Forum](#), taking place in conjunction with the [CED Life Science Conference](#).

The Coulter Investment Forum will feature presentations from up to 20 life science companies representing a dozen top-tier universities from across the U.S. and offering solutions ranging from device to imaging, diagnostics to therapeutics. In parallel, the CED Life Science Conference will showcase over 25 companies on the main ballroom stage, including a few of the Coulter companies. In CED's Innovation Room, all of the Coulter companies will be exhibited along with over 50 companies selected by CED for in-person networking with all attendees.

Registration for the CED Life Science Conference includes access to attend the Coulter Investment Forum's company presentations.

The Conference will be held February 27-28, 2018 in Raleigh. Conference registration is open. The conference is presented in partnership with the [North Carolina Biotechnology Center](#) and [NCBIO](#).

NCBIO members are eligible to receive the CED member rate. Contact Amber Niebauer via [email](#) or 919-281-8960 to get the discount code before registering.
