

**Deadline Extended:**  
**Submit Your**  
**Application for the MedTech**  
**Innovator \$500K Competition**

**Deadline Now February 16**

**Early- to mid-stage medical device, diagnostic and digital health companies are encouraged to [apply](#) for MedTech Innovator 2018\***. This is a highly selective and unique opportunity for start-ups and emerging growth medical technology companies to gain access to investors and industry leaders. MedTech Innovator will award more than \$500,000 in cash prizes during the 2018 competition. **The general deadline for applications is now February 16th.**

[MedTech Innovator](#) is the industry's nonprofit global competition and accelerator for medical device, digital health and diagnostic companies. The organization's mission is to **improve the lives of patients by accelerating the growth of companies that are transforming the healthcare system.**

On September 24-26, 2018 at The MedTech Conference in Philadelphia, PA, the top 50 companies of the **MedTech Innovator 2018 competition** will participate in the [MedTech Innovator Showcase](#), an on-stage interactive program on the exhibit hall floor of

the conference. **Four finalists are also selected to compete on the plenary stage**, and the audience votes in real time for the MedTech Innovator 2018 grand-prize winner.

**[Learn more and apply now.](#)**

*\*Early- to mid-stage medical device, diagnostic, and digital health companies are eligible to [apply](#) for the Showcase portion of the competition. Only companies that have not yet closed a Series B are eligible to apply for the Accelerator.*
