

Registration Closes Tuesday

[Lab Space in North Carolina](#)

July 16, 2020
Noon - 1:30 p.m.

Join us next Thursday, July 16, to learn about Lab Space in North Carolina and the impact of COVID-19 on lab space design and the functionality of office and shared spaces. Bring your lunch and hear from our speakers:

- **Doug Cook**, Senior Director, Cushman and Wakefield
- **Merrill Flood**, Director, Millennial Campus Planning and Community Engagement, East Carolina University
- **Jason Kaplan**, Associate Vice President, Operations, Innovation Quarter
- **Chuck Mummert**, Principal, Raleigh Office, Flad Architects
- **Laura Rowley, Ph.D.**, Director, Life Science Economic Development, NC Biotechnology Center (moderator)
- **Marlene Spritzer**, Senior Director, Lee & Associates

Get answers to your questions around how people are working in existing spaces, how spaces are being retrofitted for new tenants, and more. Submit your questions in advance to [Amber Niebauer](#).

Sign up by Tuesday, July 14 at noon to reserve your spot using your personalized link below. Feel free to share this invitation with others in your organization, but they will need to contact [Amber Niebauer](#) to register. The webinar link will be provided to registrants on Tuesday, July 14.
