

Larger Than Life Science

New Frontiers

January 3, 4:00-7:00 p.m.

The Chesterfield, Durham

Ring in the New Year at Larger Than Life Science on January 3 to explore the New Frontiers of science.

- Explore the state of industrial hemp and technologies in North Carolina.
- Hear from the newest resident companies in BioLabs.
- Learn what's next with virtual reality.

For additional information and to register, visit launchbio.org/durham.
