

Early Registration Ends February 1

February 27-28, 2018
Raleigh Convention Center

Max Wallace will be presented with the Life Science Leadership Award at the 27th annual [CED Life Science Conference](#), to be held February 27-28 in Raleigh. Wallace will be presented with the award at the Closing Lunch on February 28 which will be open to all registered attendees of the conference.

The conference is presented in partnership with the [North Carolina Biotechnology Center](#) and [NCBIO](#).

Max Wallace is CEO of Accelerate Brain Cancer Cure (ABC²), a venture philanthropy organization that has helped bring 30 new brain cancer treatments into the clinic. He previously served as CEO of TheraLogics, an anti-cancer company based on technology from the University of North Carolina. He also co-founded and served as President of Trimeris, a public company that developed Fuzeon, the first FDA-approved viral entry inhibitor, establishing a whole new class of drugs for HIV/AIDS and other viral diseases. [More](#)

Register by February 1 to save \$75. NCBIO members are eligible to receive the CED member rate. Contact Amber Niebauer via [email](#) or 919-281-8960 to get the discount code before registering.

For more information regarding registration rates, please visit cednc.org/LSC.

Registration for the CED Life Science Conference includes access to attend the Coulter Investment Forum's company presentations.
