About MedTech Innovator

[MedTech Innovator](#) is the industry's nonprofit global competition and accelerator for medical device, digital health and diagnostic companies. The organization's mission is to improve the lives of patients by accelerating the growth of companies that are transforming the health care system.

Who Should Apply

All early- to mid-stage medical device, diagnostic, or digital health companies are encouraged to apply. Series B and later companies will be considered for the Showcase track. Companies that have not yet closed a Series B will be considered for the Accelerator. Visit the [MedTech Innovator website](#) to learn more and apply today.

MedTech Innovator Showcase and Competition at The MedTech Conference

On September 23-25 at The MedTech Conference in Boston, MA, the top 50 companies of the MedTech Innovator 2019 competition will participate in the MedTech Innovator Showcase, an on-stage interactive program held on the exhibit hall floor of the conference. Four finalists will be selected to compete for the grand prize during the finals competition, and the audience will vote in real time for the MedTech Innovator 2019 grand prize winner.
