

## The Digital Health Intersection

Life Science Luncheon and Forum

**May 9, 2018**

**11:30 a.m. - 1:30 p.m.**

**NC Biotechnology Center**

Join life science leaders on May 9th as they discuss the intersection of digital health, medical devices, drug development, and drug delivery. Hear highlights from speakers as they talk about:

- technologies that help address healthcare issues faced by patients
- changing how companies and patients communicate
- steps to take to improve healthcare delivery

Technology, information and communication are intersecting to improve healthcare. This session will be moderated by **Erica Jackson**, Partner, [K&L Gates](#), and feature:

- **Mircea Despa**, Senior Manager, Digital Health, [BD Technologies](#)
- **Adam Roth**, Director and Head of Operations & Business Development, [Galvani Bioelectronics](#)
- **Don Turner**, Global Head of Commercialization, [IBM Watson Health](#); Chairman, [Digital Health Impact & Transformation](#) (DHIT)
