

MedNet Solutions' Study Discount Offer for NCBI Members

Discount Offer:

As a committed partner of North Carolina Biosciences Organization (NCBIO), MedNet is pleased to provide all NCBIO Members with a 10% discount off the standard licensing fees and build services for any new clinical study using the *iMedNet* eClinical platform.

Description of MedNet's products and services:

MedNet Solutions is a leading healthcare technology company specializing in eClinical software to support a broad range of clinical research. MedNet delivers a proven, flexible and easy-to-use web-based solution that effectively supports clinical studies, registries and investigator-initiated trials of all types and sizes. Since 2001, MedNet has successfully supported leading pharmaceutical, medical device, biotechnology and contract research organizations (CROs) in clinical research conducted around the world. These companies trust MedNet to deliver the technology, experience and reliability they need for success.

Requirements:

- Must be members of NCBIO
- Must work with and contract directly with MedNet Solutions

Products/Services Covered by Discount:

- Study Build
- Monthly Usage/Hosting Fees
- For clients interested in building multiple clinical studies in *iMedNet*, an additional discount program exists covering *iMedNet eClinical Software*, Mentor Builds and Learning Management System (LMS) Training. Contact MedNet for the details.
