

New Member Benefit

Members now have access to [UPS](#) discounts under the [BIO Business Solutions](#)[®] program. Through our partnership with BIO, NCBIO is proud to offer a new program with UPS to bring members up to 70% off UPS Next Day Air[®] services, and up to 65% off UPS Worldwide International services. This is a significant savings off published rates! UPS offers members great savings, and the peace of mind that accompanies reliable service with guaranteed delivery, and innovative technology.

UPS is the world's largest package delivery company, and reaches more U.S. ZIP Codes by 8:00AM than FedEx. Speed, reliability, and special savings for members—it's that simple!

Members currently enrolled in the expired FedEx program can expect to see additional savings of 10%-20% by switching to UPS. Existing UPS customers must enroll to take advantage of this exclusive offer.

For more information and to enroll, [click](#) or contact [Kelly Alexander](#) or call 404-640-9168. Sign up now, and start saving.

Through BIO Business Solutions, all of BIO works for NCBIO Members —so you can do your best work!
