

New BIO Member Benefit

Brex, the Corporate Credit Card for the Life Sciences

Brex is BIO's newest preferred partner for corporate credit card services. NCBIO and BIO members get an exclusive sign-up bonus and waived card fees for life. Brex empowers its life sciences customers to spend less time on end of month closes and more time on life changing R&D.

The card offers its customers streamlined reporting functions, rewards and unmatched controls including; no personal guarantee requirements, higher limits than traditional credit cards, instant creation of virtual cards, automatic receipt capture, and tailored rewards such as 3x points multipliers on lab equipment. Points can be redeemed as cash back to pay down statement balance, book travel, or transfer miles to select partner airlines.

Full member benefits include:

- 60,000 point signup bonus (\$600 value)
- Waived card fees for life (\$60 p/card p/year)
- Tailored rewards and points with 3x on lab supplies, 7x on conference registrations, and 4x on travel
- 5-minute application process (completely online) with instant access to virtual cards
- No personal guarantee or collateral requirements

With questions, contact Bob Dearth with BIO at bdearth@bio.org or (781) 716-7555, or contact BIO's new designated Brex representative, Jordan Risley, at jordan@brex.com.
