NCBIO Wants you to know

JUNE 8-11, 2020  
*California*

## Tell Your Story at BIO 2020

**Call for Sessions is now open  
for the 2020 BIO International Convention.**

This is your chance to submit topics that go beyond and paint a vision for the global biotechnology industry's future in San Diego, June 8-11, 2020.

**Submission Timeline: September 12 - October 10**

All session applications must be fully complete and submitted by the deadline, October 10, 2019, at 5:00 PM ET. [Click](#) to get a proposal guide or to [submit a proposal](#).

**Free Webinar Hosted by BIO and [Scientist.com](#)  
September 25, 1:00 pm - 1:45 pm**

Biotechnology Leaders: Are You Using Good Data to Help Drive Therapeutic Decisions? Check out this webinar.

- Attendees will learn how to use the Trial Insights

digital solution to help guide data-driven decision making, including how to:

- Quickly assess the landscape for industry peers, existing partners and potential collaborators for a given disease, therapy or biomarker
- Identify "up and coming" key opinion leaders, track their progress and connect with them at any stage of your study
- Pinpoint investigative sites for any disease, therapy or biomarker within 200 miles of any city or town

[Register](#) and get more information.

October 22-23, 2019  
San Francisco, CA

---

### **One-on-One Partnering Now Open for the BIO Investor Forum**

There is still time to register for the 2019 BIO Investor Forum and request meetings with private equity and public investors, research analysts, and industry executives focused on investment & business development opportunities in the life sciences.

[Register today](#) so you can log into the system early, set up your company profile, update your calendar availability, and start requesting and accepting meetings. Our data shows that those who send meeting requests early schedule the most meetings.
