

Announcing NCBIO Bonus Session

[The Rare Disease InfoHub: Serving Patients and Providers](#)

October 5
Noon - 1:30 p.m.

Join NCBIO members on Monday, October 5 from Noon to 1:30 p.m. for a look at [The Rare Disease InfoHub](#) and how it serves patients and providers. This bonus session currently features:

- **Alexander Tropsha, Ph.D.**, Associate Dean for Pharmacoinformatics and Data Science, University of North Carolina at Chapel Hill
- **David Wright, Ph.D.**, Director of Project Management, Department of Computer Science, North Carolina State University
- Patient advocate to be announced

Hear from our speakers on how the InfoHub utilizes advanced computing techniques to search, organize and present data related to rare disorders, and identify relationships that will facilitate development of innovative treatments for rare disorders.

Use your personalized link below to **sign up now** and reserve your spot. In your registration confirmation, you will **receive the GoToWebinar link**. **You will need to click that link to receive your unique login.**
