

**Two Days Left to Register
for PMWC Duke at a Reduced Rate!**

Save \$150 if You Register By May 19th

Join hundreds of healthcare representatives with leadership roles in precision medicine at Duke on May 24-25.

A total of 100 speakers in the healthcare and biotechnology sectors, including Governor Roy Cooper, will be featured in more than 35 sessions over two days at the [Precision Medicine World Conference](#).

Hear leaders speak on topics including:

- How data science advances precision medicine
- Impact of technology to drive genomics and medical practice
- Latest on data and regulatory policies
- Emergence of single cell genomics and infectious disease monitoring
- How mobile health and other advancements are changing the face of healthcare
- Clinical models for precision medicine and importance of patient engagement

[Register now](#) and save \$150 by May 19th.
