

## **Larger Than Life Science**

### **Heating Up**

**June 6, 4:00-7:00 p.m.**

**The Chesterfield, Durham**

Escape the heat and join LaunchBio on June 6 to explore what's trending. Features sessions include:

#### **Panel on Graduation Day: Finding the Right Space to Grow Your Life Sciences Company**

Learn about options for companies that are "graduating" from accelerator and incubator spaces. Join the team from Davis Moore as they provide savvy market analysis for growing companies seeking wet lab and office options in the Triangle.

#### **Talk on Tech Enabled: Accelerating Innovation and Growth with Software Solutions**

Join SciMed Solutions as they share the value of software solutions for life sciences companies. Discover how innovative software products can become intellectual property for startups, improve efficiencies in workflows, reduce errors and increase accuracy, and boost overall productivity.

#### **Panel on Inside Immuno-Oncology: What's all the Excitement?**

Join a panel of industry experts and leading researchers as they discuss emerging trends and developments in the field of immuno-oncology or IO. The rapid expansion of this space over the past 5 years has been catalyzed by striking clinical data, reflecting real changes in patient outcomes and survival in an ever-increasing number of cancers.

## **Workshop on Science of Beer 2.0**

Durty Bull owner Matt Pennisi, and head brewmaster Chris Davis will lead a tasting of a variety of brews, specifically focusing on wild yeasts and souring beers.
