

## VIRTUAL FORMAT

### [Lab Space in North Carolina](#)

**July 16, 2020**  
**Noon - 1:30 p.m.**

Join NCBIO and other members on July 16 to learn about Lab Space in North Carolina. Bring your lunch and hear how COVID-19 is going to affect lab space design and the functionality of office and shared spaces.

Our panelists will answer your questions around how people are working in existing spaces, how spaces are being retrofitted for new tenants, and more.

- **Doug Cook**, Senior Director, Cushman and Wakefield
- **Merrill Flood**, Director of Planning and Community Engagement, East Carolina University Millennial Campus
- **Jason Kaplan**, Associate Vice President, Academic & Innovation Quarter Resources, Wake Forest School of Medicine
- **Chuck Mummert**, Principal, Raleigh Office, Flad Architects
- **Marlene Spritzer**, Senior Director, Lee and Associates

Sign up to reserve your spot using your personalized link below. Feel free to share this invitation with others in your organization, but they will need to contact [Amber Niebauer](#) to register. A link with webinar information will be provided to registrants on Tuesday, July 14.
