

## **Larger Than Life Science**

### **Transformers**

**April 4, 4:00-7:00 p.m.**

**The Chesterfield, Durham**

Disruptors, difference makers, and game changers, this program is for you. Hear SBIR/STTR success stories. Learn how analytical controls evolve as drugs move through development. Get inside the Shark Tank. Explore electronic music with music, art and technology festival, Moogfest.

Featured sessions include:

**Panel: The End Game, 4:30 - 5:30 p.m.**

Join Cambrex to explore regulatory approvals and the drug development life cycle. Learn how CDMO's are transforming the biopharma industry.

**Talk: In the Mix, 5:00 - 6:00 p.m.**

Jump into the 'Shark Tank' with Zookies Cookies founders Justin Miller and Tom Simon and hear what's next for the Raleigh-based dog treat company.

**Showcase: Earliest Stage Success, 5:45 - 6:45 p.m.**

Meet the SBTDC helps early stage life science companies communicate the commercial potential of their science and win competitive SBIR/STTR grant funding.

**Demo: Moogfest Mini Lab, Ongoing**

Learn the basics of synthesized sound and experiment with Robert Moog's famous invention: the Moog synthesizer.
