BIA-Hawaii Announces October General Membership Meeting
October 21st Virtual Event to Address Your Questions - Open to the Public

HONOLULU (October 2, 2020) - BIA-Hawaii is pleased to announce the October General Membership Meeting will be held virtually on October 21, 2020 at 12:30pm. Hawaii NEXT: Leadership & Governance will focus on gaining a deeper understanding of how both political leadership and legislation can pave the road ahead for a prosperous future.

The panel discussion will feature Honolulu’s mayoral candidates, Rick Blangiardi and Keith Amemiya, as well as Kai Kahele, the Democratic Nominee for Congressional District Number 2, and allow us to learn more about the candidates’ positions and their vision for our future. Attendees will have the opportunity to ask questions, such as How will our next Mayor shape the future of our recovery and the construction industry in Hawaii? and What can we expect on the national level? Submit your questions to the panel HERE.

BIA-Hawaii remains committed to its long tradition of acting as a conduit in the advancement of policy making for the community; a space to discuss solutions and new ideas. Now more than ever, we must use our resources and collective voice to advocate for the change we are seeking and work to promote and support our industry during this unique time in our state’s history.

“The October General Membership Meeting will be a fantastic opportunity to ask your questions directly to the candidates,” said Jess Leorna, BIA-Hawaii CEO. “As our industry faces certain challenges, this event will explore specific building related concerns to understand where the candidates stand on issues important to you and your business.”

This event is free for BIA-Hawaii members and $10 for non-members. The industry and community are invited to attend. More information on the meeting including registration and sponsorship opportunities can be found HERE and at www.biahawaii.org. Questions contact Vanessa Vinson at viv@biahawaii.org.
