Hello CRBRA Members!

Progress at CRBRA Headquarters is in full swing. Very generous and talented members are making this happen every day. Pipino Builders framed and installed beautiful Pella Windows donated by Crawford Door & Window. Only a few weeks ago, Louisiana Pacific (LP) and Parksite trained contractors on easy installation of DiamondKote. LP SmartSide and Parksite donated the high-end materials for CRBRA Headquarters. Complete Perfection Construction is installing the siding expected to be complete this week if the weather cooperates. Erie Materials donated and delivered the stone to be installed around the entrance.

Builders Kitchens designed, donated and installed the gorgeous kitchen last week. Quality PM primed and painted the kitchen, storage, DeeDee's and Pam's offices. Followed by TPL Flooring provided and installed new carpet and our offices. HIG Construction is hanging sheetrock in the Grand Hall. Many materials including the sheetrock have been donated and delivered by Bellevue Builders Supply.

And the schedule continues with the dedication of the Building Committee: Paul Pipino, Gregg Biche, Joel Sasko, Luke Michaels, Billy DeOrazio, Steven Stansen and Barbara Vincent.

As planned, I will be retiring at the end of the year. CRBRA Headquarters is a reality to be enjoyed by all our members for many years.

The next Executive Officer has been hired and we will be working together for a smooth transition. Please join me in welcoming Kristen Egelston. She will begin mid-October. Below is her introduction to all CRBRA Members.

Enjoy!

alumni. I've spent the last 12+ years working for the New York State Association of REALTORS(R) in various capacities in the Marketing department. I'm thrilled to be joining CRBRA at such an excellent time - between the renovation of the new building, the upcoming strategic planning session and next month's Best in Building Awards, there is so much to look forward to!

Whether you're a builder, remodeler or an associate member or if you've been a member for 15 years or two, I truly believe you have something valuable to contribute to enhance this wonderful association and your profession. In turn, I can't wait to talk to you about what you're looking for from your CRBRA membership and how we can make this next chapter as beneficial as possible to you to ensure you're getting the tools you need to succeed.

All the best,  
Kristen Egelston
