

Ashley Linden
Manitoba Harvest Fresh Hemp Foods

Ashley Linden has a passion for agriculture and leads the quality team at Manitoba Harvest Fresh Hemp Foods.

With over 15 years of experience working in quality from seed to shelf, he has a track record of creating operational efficiencies and improving quality throughout the supply chain.

Mr. Linden has studied and worked with industry leaders in multiple crop types across North and South America and is currently focusing efforts on growing the hemp industry. His team at Manitoba Harvest recently received a top grade of AA+ in quality and food safety from BRC, a global certification body. Ashley has a unique perspective on quality, and understands the challenges and solutions to meeting food grade quality specifications in product coming direct from the farm.

Ashley lives in Winnipeg with his better half Victoria and daughter Anika.
