

Clarence Shwaluk
Fresh Hemp Foods Ltd.

Clarence Shwaluk is the Director of Farm Operations for Fresh Hemp Foods Ltd. since 2013. Fresh Hemp Foods is the integration of two hemp pioneers – Manitoba Harvest and Hemp Oil Canada, and together are the world’s largest manufacturers & marketers of both branded retail hemp food products and hemp ingredients.

With manufacturing facilities in Winnipeg and Ste Agathe, MB, the company has an international market reach, and are leaders in building consumer demand for hemp foods. The Farm Operations team at Fresh Hemp Foods is responsible for managing seed genetics, farm production contracts, agronomic research, logistics, and guiding farm best practices with grower partners in Canada. Clarence’s education includes a B.Sc.(Ag.) from the University of Manitoba, and an Agribusiness M.B.A from the University of Guelph.
