

Diane Jang
CEO, Hempco

An experienced CEO with a proven track record in leading companies to become market leaders, Diane joined Hempco in 2017. With nearly 30 years in the consumer packaged goods industry in premium foods and plant-based protein, Diane has steered a number of companies, including Sunrise Soya Foods and Earth's Own Food Co. Inc., to great success.

In her tenure as CEO of Hempco, Diane has secured a significant investment from Aurora Cannabis, reinvigorated the Planet Hemp consumer brand, and launched the Planet Hemp brand on Amazon and well.ca. She has championed a sustainable tri-crop utilization of the industrial hemp plant and further positioned Hempco as a global supplier and marketer of high quality hemp-based foods, fibers, and CBD-based health products.

Diane also serves on the Board of Directors with Aurora Cannabis Inc.
