

RESOURCE BIO – RUSS CRAWFORD

Russ Crawford has been President of the Canadian Hemp Trade Alliance for the past six years. He has been a Director and Advisor to Naturally Splendid Enterprises Ltd for the past 10 years and also consults with other non-competing businesses in the hemp sector.

Russ' expertise focuses on Project Management and Business Risk.

He is a veteran commodity trader as well as a handling and transportation expert. Russ has seen a great evolution in Canadian agriculture since his early days in the industry but views hemp as the single biggest opportunity in Canadian agriculture.
