

## PROGRAMS

**Building Excellence Series with Fran Colantonio, President & CEO, Colantonio, Inc.**  
**February 16, 2018 | 7:30-9:30am**

**Preti Flaherty, Boston**

Join us for an intimate conversation with Fran Colantonio, President & CEO, Colantonio, Inc. Fran started the firm in 1978 as a carpenter with a background in industrial engineering management. He has steadily grown the business into a successful, self-performing general contractor and construction management firm with 45 employees. Fran has been widely recognized for his support of our Armed Services Members, was named 2014 Business Leader of the Year by the MetroWest Chamber of Commerce and received a 2014 Top Workplace Award by the Worcester Business Journal.

**Ethics in the Work Place | The Role of HR**

**February 22, 2018 | 7:30-9:30am**

**AGC MA**

Co-sponsored by the AGC's BWiC and HR Committees this program will provide real-world scenarios that have occurred in the field or office and will attempt to give attendees the tools to promote more positive outcomes. The program welcomes panelists, Kathy Freitas, Director of People Strategies, BOND Joe Maressa, Vice President, Fitzgerald, Stevens & Ford and Brendan Lowd, Associate Attorney, Mintz, Levin. Each panelist will offer their individual expertise on the scenarios from an organizational standpoint and give insight into what might have been said to deescalate the situation while not being accused of "running to HR." Context will also be provided as to what legal ramifications to the individual and organization might be.

**Conversations With...Mary Nardone, Associate VP Capital Projects, Boston College**

**March 2, 2018 | 8:30-10:00am**

**AGC MA**

AGC MA welcomes Mary Nardone, Associate V.P., Capital Projects and Kevin Ruby, Associate Director Annual Capital Projects, Boston College. The Capital Projects Management Department is responsible for the engineering, planning, documentation, and construction management of Boston College's Capital Improvement Plan. The plan is coordinated into two strategic components: the Annual Capital Plan and the Major Construction Plan, which comprise as many as 150 ongoing projects throughout the calendar year.

### **OTI - 510 - Occupational Safety and Health Standards for Construction**

**March 5-8, 2018 | 8:00am-4:30pm**

**AGC MA**

This 4-day course is an excellent construction standards survey course for individuals seeking up to date knowledge of OSHA policies, procedures and standards, as well as construction safety and health principles.

More Info: [www.agcmass.org](http://www.agcmass.org)

### **OTI - 3095 - Electrical Standards**

**March 12-15, 2018 | 8:00am-4:30pm**

**AGC MA**

This course provides students with a survey of OSHA's electrical standards and hazards associated with electrical installations and equipment. Topics include single-phase and three-phase systems; cord-connected, plug-connected, and fixed equipment; grounding; ground fault circuit interrupters; and safety-related work practices. Emphasis is placed on electrical hazard recognition and OSHA policies and procedures. Students receive instruction on safe and correct use of their electrical testing equipment. This course provides information from the OSHA regulations, NFPA 70E® changes and updates, practical discussion, and demonstrations included. NFPA 70E® is a registered trademark of the National Fire Protection Association, Quincy, MA.
