

EVENTS

Networking Your Way into the New Year with Julie Brown

January 16

Brighton Bowl, Brighton

Please join us for a fun and informative after work program with Julie Brown, the guru of networking! Julie will offer a session loaded with proven practices then give on the spot consulting advice while you network! Enjoy pizza and beverages while you work--and maybe even a little bit of bowling!

School Building Construction

January 17

Bentley University, Waltham

As a consultant involved with municipal school building projects, you are invited to join AGC MA on January 17, 2019 at Bentley University for a presentation by Ankura Consulting that compares the costs of CM at Risk and Design-Bid-Build project delivery for public school construction in Massachusetts. This new report commissioned by the Associated General Contractors of Massachusetts (AGC MA) examines school construction costs with data supplied by the Massachusetts School Building Authority (MSBA) and reaches a significantly different conclusions on cost as compared to a 2016 MSBA report.

Commercial Construction Industry Opioid Summit

January 23

Westin Copley, Boston

Please join AGC MA and allied association partners on January 23, 2019 for a Construction Industry Opioid Summit to address this critical issue. Respected health care, construction companies, and trade union panelists will share their perspectives on implementing practical solutions that can assist your employees and their families.

BWiC Portrait & Networking Session

February 6

AGC MA

Do you think you are representing you and your organization well? Your headshot is your introduction and first impression! BWiC is happy to offer AGC MA members an opportunity to update your professional image while networking with your peers. Wine, beverages and snacks will be offered. Space is limited for this unique opportunity to 30 attendees so register quickly! Thank you to Mike Neilan at Focus Forward Media!

Conversations With...Kathleen MacNeil, Principal, MDA Partners LLC

February 8

The Club at Millennium Tower, Boston

AGC MA is thrilled to offer a unique opportunity for our February *Conversations With...* program! We welcome Kathleen MacNeil, Principal at MDA Partners, LLC where she will share first-hand insight on what will be Boston's tallest condo and office tower. The 691 foot, 1.6 million square foot building will replace the Winthrop Square Garage and is scheduled to be completed in 2022. **This is an AGC MA member only program.**

BWiC Inspire Awards

March 5

Westin Copley, Boston

Join us as we celebrate the most exemplary women in Construction who demonstrate leadership, generosity, innovation, and unwavering commitment to their career, colleagues and industry.

PROGRAMS

VDC & YSP Joint Meeting - Reduce jobsite risk with the power of AI

January 14

Wentworth Institute of Technology

A.I. could help the construction industry work faster—and keep its workforce accident-free. Smartvid.io will be giving a committee only presentation on its integration with BIM 360 to the Virtual Design and Construction Committee and the AGC Young Safety Professionals on January 14th at 8AM. Join us in the BIM LAB for a hands on demonstration of Smartvid.io's technology and see how it can perform virtual safety inspections, provide remote visibility to safety practices and behaviors across jobsites and learn how Smartvid.io is using artificial intelligence to automatically detect safety hazards in the visual data from jobsites.

2019 Young Contractors Professional Institute YCPI

Winter Lean Construction Program Series

February 1 (various dates)

AGC MA

This is a certificate program that consists of seven units. Following the completion of all seven units, individuals will have a deep knowledge of both the theory and application of Lean Construction and be able to sit for an exam to earn AGC's Certificate of Management - Lean Construction (CM-LC) credential. **New! Have your CSL? Each Lean unit is 1 hour of continuing education credits for your CSL!**

OSHA 30 Hour Training

February 4-7

AGC MA

You must pre-pay your registration fee and attend all 4 days to receive your 30 Hour Card. OSHA 30-hour training is the primary method used to train workers and supervisors on hazard recognition and OSHA safety standards. AGC MA bring together highly recognized trainers and safety directors in the construction, legal, insurance, and regulatory industry for this program.
