Greetings from the MMBA!

As the Building Industry is continuing to IMPROVE, participating in In and/or Advertising for the upcoming HOME & OUTDOOR SHOW is an excellent way to market your business.

I am pleased to report, we are the first dry floor event to be going into the area! The event will be taking place **March 23 – 25, 2018**. If you are interested in participating in this year's show, I encourage you to process your paperwork as soon as possible.

MMBA Members have first right of refusal for booth space. If you are interested in becoming a member, contact the MMBA for a Membership Application. Non-Members Applications will be placed starting Tuesday – January 2, 2018.

Contact Colleen at the MMBA Office if you have any questions
