## GARY KAHLER MEMORIAL SCHOLARSHIP APPLICATION

For almost 40 years, Gary Kahler served the construction industry and his community, and is a role model for his contributions to the industry and the Permian Basin.

In 1973, Gary began his career in the construction industry as a framing carpenter in Fort Worth, Texas. A few years later, Gary started Kahler Construction Company, Inc. in North Richland Hills, Texas. In 1981, Gary moved his company to Midland, Texas, where his wife, Linda, joined the company. Together, they remodeled and built new homes and a few commercial offices in the Permian Basin.

Gary's integrity permeated his company where quality construction and client satisfaction were highly valued. He also believed in giving back to the community and regularly gave his time, knowledge, and other resources to several organizations including: Habitat for Humanity, Midland FairHaven, and Texas Baptist Men Disaster Relief.

Gary Kahler was the third President of the Permian Basin Builders Association. When he passed away in 2011, the PBBA Scholarship Program was renamed the "Gary Kahler Memorial Scholarship Fund" in his honor.

Later, the Professional Women in Building, a council of the PBBA, was founded with a primary charge of fundraising and administration of the Gary Kahler Memorial Scholarship. Recently, the Gary Kahler Memorial Scholarship was granted its own 501c3 non-profit status from the State of Texas.

In 2017, scholarships of \$1500 will be awarded to area students for the fall and spring semesters. Previous scholarship recipients are welcome to apply. To apply for this scholarship a student must:

1. Have or will have a high school diploma or GED prior to attendance of college, university or trade school.
2. Be a U S citizen or a naturalized citizen.
3. Submit a brief letter with application stating one or more of the following: reasons why you should be awarded the scholarship, why you need or want the scholarship, your career plans, any information you would like the committee to consider
4. Qualified applicants may be contacted for an interview.

Applications may be submitted online via email or U.S. mail. The application and additional information may be found on the PBBA Website link to Application in PDF format.

**You'll need Adobe Acrobat or Acrobat Reader to view and/or print the application form. The free Acrobat Reader software is available for download from Adobe's website.**

Depending on the version of Acrobat software installed on your computer, you may be able to complete the application form online, in your browser window. You can test for this capability by clicking in the first blank and typing the requested information. If text appears in the blank, you can complete the form online. Use your Tab key to move to the next blank on the form. After you've completed the form, you may then print and mail it to the Permian Basin Builders Association.

If you are not able to complete the form online, simply print the blank form and fill it out by hand. The method of completion will not affect the consideration given to your application.
