Northwest Fleet Safety Certification

A comprehensive program presented by Oregon Trucking Associations (OTA)

Oregon Trucking Associations, Inc. has developed a unique curriculum that covers all aspects of creating and maintaining a top-notch fleet safety program. Training courses that cover a wide range of topics will be offered throughout the year. Whether your fleet safety personnel are new to the job or just need a refresher on the industry’s ever-changing rules and regulations, OTA’s Northwest Fleet Safety program offers the tools and resources they need to keep trucks, shops, and people safe and protected.
