

Business of the Quarter Nomination Form

The Alliance wants to recognize businesses that have demonstrated a commitment to community service, business innovation and excellence, investment in employees, and business improvement and growth or simply because you think they are a great business! A Business of the Quarter award will be presented at each of The Alliance's quarterly membership luncheons.

The winner of the Business of the Year Award will be determined by our members. Our members will vote for one of the four Business of the Quarter winners to determine who will be the Business of the Year.

Please nominate a business for consideration for Business of the Quarter. There are no restrictions on what businesses can be nominated, feel free to nominate your own business if you so choose. The nominated company does not have to be located in Brazoria County nor does it have to be a member of The Alliance. Please mail or e-mail the completed nomination form to The Alliance, 4005 Technology Drive, Suite 1010, Angleton, Texas 77515 or garyb@eda-bc.com.
