

Industrial Zip Code Study 2016

The data presented in this report was compiled using information provided by 10 industrial companies located in the southern part of Brazoria County. The participating companies, who range in size from large to small employers, submitted their information according to payroll records. This report details the vast impact that industrial employment has on Brazoria County based on where employees live. Not only is the impact felt by the communities in Brazoria County, but also by the surrounding counties, the state of Texas, as well as other states
