

Certified Installation Manager Program Scholarship

INSTALL, in support of the Floor Covering Installation Contractors Association (FCICA), is proud to announce the INSTALL Certified Installation Manager (CIM) Scholarship Program. This educational opportunity was developed to support one hardworking installation manager's continued training and professional development. The \$1,225 scholarship will allow a floor covering professional to enroll in and successfully complete this training.

Criteria on which applicants will be judged upon in this scholarship program include:

- Employer needs to be an INSTALL contractor.
- Membership status and INSTALL certifications held by the applicant.
- Reason for requesting the training.

Judges for this scholarship program include John McGrath, Director of INSTALL, Tom Lutz, INSTALL Michigan and Kelly Fuller, FCICA.

Scholarship will open in September. The winner will be announced in November.

About INSTALL

INSTALL, the International Standards and Training Alliance, is an alliance of major flooring manufacturers, contractors and professional installers across the U.S. and Canada. It consists of a comprehensive training and certification program for its floor covering installers, and a marketing program for its alliance members. Certifications and trainings are based on the direction and continued review of floorcovering mills and manufactures making it the most endorsed and recommended training programs in the industry. With a demonstrated commitment to quality installation, INSTALL provides the only additional, extended, free, non-proprietary and third-party installation warranty on labor of \$25,000 and two years. Learn more about the INSTALL Warranty on Labor program at www.installfloors.org/warranty. For more information on INSTALL, visit www.installfloors.org.
