

## Speakers Bureau Program *Where We've Been in 2017*

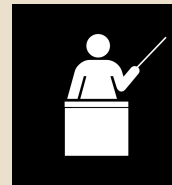

It was a great year for the 2017 NEHPBA Speakers Bureau Program!  
Our professional member volunteers offered their time and expertise to educate close to 250 regional Building Code Officials about our hearth profession.  
We are confident that 2018 will be just as eventful!

For more information, please contact Deb Lyons, Director of Operations and Government Affairs, at: [deb@nehpbpa.org](mailto:deb@nehpbpa.org) or 603 669-2740 x103
