SOCIALLY DISTANCED BUT STILL

Celebrating Around TAMPA BAY

What does a “virtual” Awards of Excellence REALLY look like?

Much of the same –

- All the categories featuring Individual Sales/Marketing Achievement, Design, and Marketing
- Physical trophies and certificates will be distributed to winners – details TBD
- The participants who historically submit entries have shown enthusiasm and support that TBBA’s Sales & Marketing Council is still hosting this event to honor the hard work and successes of 2020
- THE SAME CELEBRATORY SPIRIT!

A little bit of change won’t hurt –

- The party will be online this year – broadcasted live October 29th
- An online link will be available following the full broadcast to watch on demand
- This format allows for LIVE interaction WITH the flexibility to work with everyone’s schedule
- No fancy outfit required!
- **We do hope you get a few of your closest colleagues, friends, or furry family members together for a watch party.**
- There is no cost to “attend” or watch the event for 2020
