 Symptoms of COVID-19

Fever

If you have COVID-19, you may have mild (or no symptoms) to severe illness. Symptoms can appear 2-14 days after exposure and include:

- Fever
- Cough
- Shortness of breath

Seek medical attention immediately if you or someone you live with experience COVID-19 warning signs, including:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion or inability to wake up or speak
- Bluish lips or face

The infected person should stay at home.

Social Distancing

- Maintain 6 feet of distance from other people
- Avoid gatherings of any size
- Avoid crowded places

If you have COVID-19, you should isolate yourself from others in your household and stay at home for at least 7 days or until your symptoms improve.

COVID-19 Job Site Requirements

All contracts are required to comply with the following COVID-19 workplace safety guidelines, as outlined in our COVID-19 Safety Protocol for the Construction Industry (2020). The protocol is also available on the AGC’s Web site at www.agc.org/COVID-19. The department print a hard copy of the protocol for your ready reference.
