RE: Prize Donations

The Treasure Coast Builders Association is holding its 33rd Annual Memorial Weekend Fishing Tournament on May 24th & 25th, 2019. A portion of the proceeds from this event will be donated to the TCBA Charitable Fund for the Future Builders of America and Scholarship programs.

On behalf of the TCBA, we would like your consideration in the donation of a door prize for this great event. If your company does not have actual product to donate a cash donation can be made and a door prize will be purchased for you. As a door prize contributor, your company will be promoted at the Tournament and will be listed in the Tournament program, Facebook & Twitter

Thank you in advance for your consideration and contribution.
