## Colorado AGC Dues

Dues for General & Specialty Contractors are based on volume of work done in the previous year. Associate Member annual dues are a flat rate based on employee count. Please refer to the business volume chart below to determine your dues amount. AGC America dues are not optional and are included in your annual AGC/C membership.

### General Contractor Members

GC Members are firms capable of undertaking work as a prime contractor with overall responsibility for the satisfactory completion of a project and perform 20% or more of their volume as a General Contractor. New GC's to AGC Colorado will receive Provisional Dues. Provisional dues are 50% off the first year of membership and 25% off the second year.

**GC Emerging Business** - If you are a General Contractor and your volume is \$1M or less and your business has been established in the last five years, your dues would be \$500 for the first three years of membership.
