This month meet Ginger Westhoff, your AGC FLF Marketing Chair

Ginger feels lucky to have been introduced to the construction industry at a young age. While growing up, my Dad, Grandfather, and Uncles ran a “gravel pit”. The family business was dedicated to supplying materials such as road base and crushed rock to Contractors working in the area. She and her sisters would go out and visit the gravel pit as often as we could, especially in summer. It was always fun running up the sand hills and racing to slide down. As soon as I was old enough, I began working there – answering phones, weighing trucks, and providing general help around the office.

Upon graduating from high school, Ginger was accepted into the Leeds School of Business at the University of Colorado at Boulder where she received her Bachelor of Science in Business Administration with an emphasis in Marketing.

Ginger joined Fiore & Sons, Inc. in 2016 as a Project Administrator working on several large projects including the 1-million square feet Amazon Fulfillment Center in Aurora, CO. A year later, she was promoted to Estimating and Business Development Coordinator where she contributes to an integrated project management platform, creating synergy among the two departments. Her responsibilities include tracking short and long-term leads to bids, strengthening client relationships, event planning and implementation, advertising design and placement, budgeting and tracking, and project and client pre-qualifications. Ginger also supports Fiore & Sons, Inc’s branding and culture initiatives such as Fiore Pride, EMAD (Everybody Makes A Difference), SULU (Speak Up Listen Up), and Vision 2022.

Ginger is devoted to community stewardship. Her active participation and involvement in Fiore Cares, a mission to provide monetary assistance to Fiore & Sons, Inc employees, employees’ families, and/or members of the greater construction community is significant. There are two annual events she contributes time and planning to.

When she’s outside of the office, Ginger is a volleyball player and as a newly-wed, loves spending time with her husband and two cats.

September 13, 2019
AGC FLF Annual Clay Shoot

Thank you to EVERYONE who helped at the Annual Clay Shoot this year. We raised just over $68,300!!

Congrats to the First Place Team: ICI 1 (pictured below) with a team score of 339! All results are posted on the AGC Future Leaders Forum website.

The Winners!
Nick Kadlec,
Ben Liebers,
Elijah Schutz,
Earl Webster.

September 11-13, 2019
CLC Leadership Conference

The FLF sent a member of the steering committee to the CLC Leadership conference held in Philadelphia this year.

It consisted of networking with fellow CLC members, leadership presentations, panel discussions and wrapped up with a jobsite tour.

Penn First at the University of Pennsylvania is a new medical facility that will ultimately house 500 patient rooms and 47 operating rooms across its 17 floors.
