What is the Parade of Homes?

Parade of Homes is the largest showcase of the latest in home design in the Greater New Orleans area. Tour new and remodeled homes and be inspired by HBA builders and remodelers. Parade of Homes is presented by the Home Builders Association of Greater New Orleans. HBA members from seven different Parishes pay a minimal fee to participate; those entry fees are leveraged to purchase more advertising than a single builder could purchase on their own. HBA staff and the Parade committee work together to promote the Parade of Homes and produce a high gloss guidebook magazine that features every home on its own full page spread. The guidebook is available in print as well as online, and contains a map to guide potential home buyers from house to house.
