

Thank you for your interest in the 2021 Greater Tulsa Home & Garden Show, which is scheduled for March 11 – 14, 2021 at the River Spirit Expo at Expo Square. This event is an ideal place to increase your customer base, make sales and demonstrate and explain your products and services.

A Tulsa tradition since 1949, the Greater Tulsa Home & Garden Show™ has become a spring event in Tulsa, attracting attendees not only locally, but also from regions throughout Oklahoma and surrounding areas. There's nothing quite like this Show and being an exhibitor is a once-a-year opportunity to meet over 35,000 potential customers face to face. We are always looking for new and interesting products for our show and if you have a home or garden oriented product or service to sell, this is a **great** way to expand your business.

An application is on the following page. Available booth space is assigned by products/services that are not already substantially represented in the Show and HBA membership. We do this for the vendors as well as the attendees. We also work very hard to keep our Show “home and garden product” focused, so please know that when submitting your application. An application must be submitted to be considered for the show. If a booth should become available you will be contacted, this usually happens a few months before the Show.

Please Note: Submitting this application **does not** constitute a contract or ensure space to participate in the Show. By completing this application, your company will be placed on the 2021 Waiting List. Do not send money at this time! Further, we reserve the right to deny admittance for participation for any applicants, which offer goods, or services, which we deem inconsistent with the theme of the Show. Our decisions not to allow participation by an applicant are final.

If you have any questions, please contact me at msikes@TulsaHBA.com.

Sincerely,
Morgan Sikes
