

# 2015 INTERNATIONAL RESIDENTIAL CODE CONTINUING EDUCATION SEMINAR

## 2015 IRC ESSENTIALS

**Tuesday, September 10, 2019**

**8:00 am - 3:30 pm**

Home Builders Association of Greater Tulsa  
11545 E. 43 St., Tulsa Oklahoma

**Registration Fee \$125**

lunch and workbook included

**Six (6) hours HSW CEU**

## SEMINAR DESCRIPTION

**This 6-hour seminar examines basic concepts of the 2015 *International Residential Code*® (IRC®).** These concepts provide a basis for the correct utilization of the code. A clear understanding of the identified requirements allows the code user to apply the IRC in specific situations and helps to build an understanding of the intent of the code when asked to make a judgment on code compliance. This course will also help the code user to correctly locate code requirements. It will also provide a basis for the correct use and application of the code as well as to begin to develop a procedure for applying them.

## SEMINAR INSTRUCTOR

**Sandra Hyde, P.E., is a Senior Staff Engineer with the International Code Council (ICC)** where she develops books and seminars about the structural provisions of the *International Building Code*® (IBC®) and *International Residential Code*® (IRC®). Sandra is a Registered Civil Engineer in Idaho and California, and a member of local and national engineering and building professional organizations.
