

2019 Industry Scholarship Program Requirements

SUMMARY:

To offset the decrease in available manpower for the construction industry, this \$1,000.00 scholarship is designed to provide partial funding to high school students or industry professionals wanting to advance their education in the construction at a technical trade school or two or four-year nationally accredited college. Scholarship funds will be distributed at \$500.00 per semester and can only be used for tuition, and books.

To apply for this yearly scholarship, students are to complete the required forms and provide the materials to the NARI Jim Harkey executive board no later than one (1) semester before the semester they are requesting funding.

The Board of Directors of the NARI Jim Harkey Memorial Inc. may also elect to provide scholarship grants to local community and vocational schools.

REQUIREMENTS:

The students who apply for this scholarship must have a high school diploma with a weighted grade point average (GPA) of at least 2.6 or equivalent or a GED. The students must formally apply when they are candidates at a technical trade school; two or four year nationally accredited college or university. Full time students in the reapplication process must reapply yearly and be enrolled in full time classes during the reapplication procedure.
