## Chapter News

### Education Endowment Fund Tax Information

Not only is it time to think about your Christmas list, it's time to think about taxes. A contribution of \$5,000 or more to the AGC of North Dakota Education Foundation qualifies for a 40% North Dakota tax credit. For more information visit the ND Tax Commissioner site [here](#) or contact [Russ](#) at the AGC Office.

### NDDOT Transportation Day

The NDDOT and other businesses interested in transportation will be hosting a Transportation Day at the North Dakota State Capitol on Thursday, January 10, 2019 from 9 a.m. until 4 p.m. This event will be held during the upcoming legislative session and is a great opportunity to educate others about our industry, our association, and our members. Partners and stakeholders are invited to provide educational booths highlighting the importance of transportation in North Dakota. There is no cost to attend this event. Each presenter can request two tables and folding chairs for their exhibition. Wi-Fi and electricity are available. If your company would like to sponsor a booth, please contact Peggy Anderson at [peganderson@nd.gov](mailto:peganderson@nd.gov). If you would like to be a part of our AGC booth, please contact me at [cburke@agcnd.org](mailto:cburke@agcnd.org). **The deadline to RSVP is Friday, December 14, 2018.**

### Crane Operator Certification & Recertification

Deadlines to register for the crane operator certification and recertification classes are quickly approaching. Registration closes for the Fargo class December 18th and for the Bismarck class on January 1st. We must have a minimum of 11 registrants for the class to proceed. For more information follow the links below.

### Become an AGC Business Development Leader

National AGC is now accepting applications for 2019-2021 Business Development Steering Committee Members. The committee is open to participants from any AGC member-firm. The Business Development (BD) Forum brings together Business Development

professionals in one place, for one purpose: to advance the Business Development function in the construction industry. The committee helps to create business opportunities by sharing the latest techniques and tools of Business Development; follow and report on trends in the construction market; and connect a network of professionals invested in building better businesses. In addition to BD and Marketing professionals, the Forum's members include Construction Executives, Operations and Pre-construction professionals, from General Contractors and Specialty Contractors, nationwide.
